# OVERVIEW

The Glades, a 56-acre development, is one of Sime Darby Property's pride projects, situated in Putra Heights. It is a unique, low-density, high-end development that exudes luxury. Just a short distance away from the hustle and bustle of city life, you are connected to home by a network of highways and LRT stations.

A gated and guarded community, The Glades is spread over a lush green landscape that covers 15 acres with a series of waterways meandering from the unique, self-sustaining waterbody, designed with biological filtration, totalling almost 3.5 acres. It also features a resort-style clubhouse equipped with exclusive facilities including a 10m x 50m infinity pool with a jacuzzi, a wading pool, a gym, changing rooms, sauna, a tennis court, a multi-purpose room and a yoga deck.

An environmentally conscious development, The Glades includes sustainable features like an Automated Waste Collection System (AWCS) (1<sup>st</sup> horizontal system in Malaysia), Centralised Water Filtration, Rainwater Harvesting at selected units and a Liquified Petroleum Gas (LPG) system.

# LAVISHNESS, TAKEN TO NEW HEIGHTS

The breathtakingly high ceiling is accentuated with the use of glass, screens and massive windows to let in panoramic views of either the waterways or the landscaped gardens. While you can certainly choose to take the stairs to your room at the top, you do have the option of a private elevator for those lazy days. Other lifestyle choices are the plunge pool and an open terrace for outdoor activities.

With the high ceilings and long hallways, large common rooms and wide stairwell, you'll be in for an endless treat to the generous amount of space here. Just imagine all that you can do with it. Antiques or contemporary furnishings, western or oriental décor, photographs or oil painting – these will be the only questions you'll need to trouble yourself with. That's what we call, spacious living.
